

“Job opportunity for experienced Ungulate Supervisor in the UAE”

Escape to Sunshine and Adventure! If you're someone who loves basking in the sun and prefers summer temperatures over the chill of rain and snow, we've got the perfect job opportunity for you at Abu Dhabi Zoo.

About the Role

As a Hoofstock Supervisor, you'll play a crucial role in the care and management of a diverse range of hoofed animals, including giraffes, hippos, antelopes, and many more. This position is integral to overseeing a significant portion of our animal collection, offering a fulfilling and unique experience for those passionate about animal care.

Key Responsibilities

- Supervision and mentoring of keeper staff, including task scheduling, training, and performance reviews.
- Management of daily animal husbandry tasks, upholding the highest standards of animal welfare.
- Maintenance of accurate records within the section.
- Coordination of animal movements, introductions, and transfers.
- Involvement in exhibit development, management, and maintenance.
- Administration of breeding programs, including care for newborns and elderly animals.
- Collaboration with the pest control team.
- Assistance in veterinary procedures, animal health monitoring, and medication administration.
- Cooperation with the education department to develop educational programs.
- Training of staff in media relations, conflict resolution, and customer service.
- Ensuring compliance with health and safety policies.
- Contribution to animal collection plans, studbooks, and research initiatives.
- Interaction with visitors, including educational talks and query resolution.

Skills and Qualifications

- High school diploma or higher in zoology or a related field preferred.
- Minimum of 5 years of animal care experience in a controlled zoological facility.
- Strong leadership, management, and communication skills.
- Proficiency in English; Arabic proficiency is a plus.
- Willingness to work in diverse cultural settings, outdoors, and in varying weather conditions.
- Capability to perform physically demanding tasks.

Additional Benefits

- **Tax-Free Salary:** Enjoy a competitive, tax-free salary.
- **Free Accommodation:** Living quarters provided at no cost.
- **Duty Meals:** One meal per day included.
- **Generous Leave:** 30 calendar days of annual leave.
- **Home Travel:** One round-trip flight to your home country annually after completing one year of service.
- **Beachside Living:** Experience life and work near the beautiful beaches of Abu Dhabi.
- **International Environment:** Work alongside a diverse team of keepers from around the globe.
- **Prestigious Facility:** Be a part of an AZA accredited zoo.
- **Professional Growth:** Opportunities for professional development through various lectures, seminars, and workshops.
- **Collaborative Work Environment:** Engage in a team-oriented workplace.
- **Conservation and Research:** Participate in innovative conservation and research projects.
